

THAMES RIVER ANGLERS PAST EVENTS

The TRAA has been involved in a lot of events in the past and also have a lot of activities in the works. Check out our gallery and relive some of those moments.

STREAM HABITAT WORK PARTY

Took place on Saturday, October 13, 2018

A few TRAA members cleared a number of fallen trees and other blockages on October 13th. Dan Shinkelshoek made a video of the proceedings and it's worth a look so click on the picture to view. If you have further questions about TRAA stream habitat projects and events, please come out to the TRAA General Meeting on Wednesday, November 14th or contact us.

THAMES RIVER ANGLERS PROJECTS

CHECK OUT THE NEW & IMPROVED TRAA HATCHERY

Equipment Upgrades, Building Improvements & a General "Facelift"

Over the past six months or so, a small but dedicated and determined group of TRAA members put a lot of work into making your TRAA trout hatchery experience even better! None of this could have been accomplished without grants from the MNR's CFWIP program and the OFAH through their CHP program. Our solution to this was to install a steel roof.
