

THAMES RIVERS ANGLERS ASSOCIATION

In the spring of 1986 the TRAA was formed by anglers concerned with the state of the fishery in the Thames River watershed, particularly the dwindling smallmouth bass population in the North Thames River. The TRAA is not a fishing club, although most members are anglers and share..

TRAA Trout Hatchery Brown Trout eggs arriving soon

The TRAA trout hatchery is a popular activity of the TRAA as it's a great teaching tool with regard to the life cycle of a trout. Those involved with the hatchery get to see firsthand the development stages of the egg and the fry before their final release destinations to area streams. Volunteers attend to the operation every day to maintain the health and well-being...

ABOUT THE TRAA

The TRAA works at grassroot level across the Thames River Watershed to:

- Protect, enhance and regenerate a viable, multi-species, year-round fishery.
- Promote and participate in environmental clean-up, pollution control and rehabilitation.
- Breed, relocate and stock to re-establish or augment appropriate species of fish.
- Promote Environmentally sound sport fishing practices

TRAA BOAT SHOW TIME!!!

FEBRUARY 23 - FEBRUARY 25 2017

The TRAA again had a presence at the London Boat, Fishing and Outdoor Show. A huge “Thank You” goes out to Pat, Dave and all the gang at Angling Sports for giving us space to set up our snazzy new banners. Also many thanks to those TRAA members who took the time to hang out at the show, chatting to folks about what the TRAA does and generally about fishing in and around London

THAMES RIVER ANGLERS ASSOCIATION

The TRAA has been involved in a lot of events in the past and also have a lot of activities in the works. Check out our gallery and relive some of those moments.
